SUBJECT:

NWMP Intelligence Performance Simulator: Project
Description [redacted]

25X1

1. I received a briefing by [redacted] on Monday, 9 May, on an intelligence performance simulator that he is developing in support of the DoD Nuclear Weapons Master Plan (NWMP). [redacted] is currently on detail from CIA to DUSD R&E (C³I), to assist Ms. Tish Vajta in assessing the ability of national intelligence assets to survive in a general nuclear war environment and to continue to support the President in his various roles as Commander in Chief, Chief of State, and Chief Executive.
